

REGULATIONS FOR THE MEMORIAL ADDITION OF THE MOODY CEMETERY

Area is divided into four sections, Center Section or Section "D" bounded by "U" shaped graveled drive, "A" section bounded on the north by fence and on the south by graveled drive, "B" section bounded on the south by fence and on the north by graveled drive, and "C" section bounded on the east by fence and on the west by graveled drive.

- All grave spaces are 10 foot long by 4 foot wide.
- Interments in a single grave space are limited to: 1 coffin, or 1 coffin and 1 cremation urn, or 2 cremation urns. The cemetery charges an interment fee payable at the time of interment.
- Graves will be maintained level with the surrounding area.

THE FOLLOWING ITEMS ARE NOT PERMITTED IN THE MEMORIAL ADDITION:

Curbs of any type, Walks of any type, Foot stones of any type at graves, Benches, Ornamentation of any type that interferes with mowing and maintenance, Planting of Shrubs, Trees, and other Plants

MARKER RESTRICTIONS FOR THE MEMORIAL ADDITION TO THE MOODY CEMETERY

Monuments or markers are limited to one per space and must be placed at the head of the grave space.

All markers in the Memorial Section should be of appropriate material as granite or bronze.

Center 'D' Section

Height restriction for this section is: markers must be **flat** and placed level with the surrounding area.
Maximum dimensions for a single marker are 18 inches by 36 inches for single grave spaces.
Maximum dimensions for a double marker are 18 inches by 72 inches on 2 adjoining grave spaces
Maximum dimensions for triple or larger markers should follow the above standards per space.
No minimum dimensions are restricted.

Sections "A", "B", and "C"

Maximum height for all markers in these sections may **not** exceed 36 inches.
Maximum dimensions for markers are 18 inches by 36 inches per single grave space
Maximum dimensions for a double marker are 18 inches by 72 inches for two adjoining grave spaces
Maximum dimensions for triple or larger markers should follow the above standards per space.
No minimum of any dimensions is restricted.
